## **GENERAL PRICE LIST**

**These prices are effective as of August 1, 2008 but are subject to change without notice.**

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

### *About Funeral Pre Planning*

We offer many avenues for preplanning.

They can be very informal; discussing with families their own desires, options and prices; or more formal, actually making definite arrangements, including the selection of funeral services and merchandise and assisting in setting aside funds for these expenses.

*Many people are unfamiliar with arranging a funeral, the options available and the costs involved. Uneasiness still exists in our society about death and dying and thus inhibits prudent planning. Unless pre-planned, funeral arrangements and decisions may be made under very stressful circumstance.*

Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses.
